<p><b>Bupa KS1 Start to Move</b> - Practical and Theory course, please wear PE kit.</p> <p>As one of only four statutory National Curriculum subjects, PE is an essential part of every child's education. From our global research of PE and insight gained from UK teacher and Headteacher perceptions, we know that many primary teachers lack confidence in teaching PE - so it's essential that any new approach is easy to use and relevant. Bupa Start to Move supports the PE Key Stage 1 National Curriculum 2014 and the Early Years Foundation Stage curriculum through its focus on developing physical literacy skills.</p> <p>The approach aims to equip teachers with the knowledge and confidence to teach the fundamental skills of movement, locomotion, stability and object control, rather than focusing on particular sports.</p> <p>Teachers receive training, support, peer mentoring and access to online resources, ensuring that children learn the essentials at a crucial stage, paving the way for a lifetime's participation in physical activity.</p>	KS1 Teachers	Autumn term TBC	9.30 – 3.30pm	Venue: TBC Tutor: <i>Free to Hunts SSP Subscription Schools.*</i>  <b>£100 charge to non-subscription schools*</b>
