

Middle Leaders:

Improving Teaching & Learning Through Coaching & Mentoring

The Course:

This course offers the chance for you to extend your understanding of different types of interventions and how to encourage Productive dialogue and set clear expectations. It will help you develop strategies that enable you to work effectively with others so that, together, you are able to support school improvement

Who should attend?

Heads of department and those who work with pupils and students in schools particularly focusing on improving teaching and learning

Why attend?

- Find out how to work with other people to empower them in their roles.
- Discover that you possess an array of qualities and skills that will help others increase their effectiveness - and can develop many more!
- Learn how use of a common language motivates colleagues and extends their understanding of how their efforts translate the schools' vision into reality.
- Know about the power of questioning and the impact on successful outcomes.
- Learn how to challenge people to change and sustain the alteration through recognition of the positive impact made on learning.

The cost of the course is £70 per person

What will it cover?

- The range of different types of interventions and when and how these might be used in your school.
- The key roles in effecting change and development of effectiveness.
- The qualities and skills required for successful intervention and subsequent change leading to improvements in teaching and learning.
- Challenging people to change in a climate of support, collaboration and accountability.
- Strategies which help you to support colleagues in on-going focused professional dialogue through partnerships and professional learning communities.

ACCESS

There is parking on-site. The conference room is on the first floor via the stairs. Disabled toilets are available on all floors

When will the programme be held?

Abbey College Ramsey
3rd and 10th December 2015 3.30-5.30
