

## Makaton Foundation Course Spring Common Academy

This foundation workshop provides training for professionals relevant to their work and together develops the necessary competencies.

It is recommended for professionals who use Makaton in their work, as well as for others who wish a more in-depth training. It is also an essential part of the entry criteria for Makaton Tutor Training.

The Foundation Workshop is run by **Cilla Lamble, Makaton Regional Tutor and Communication and Interaction Manager**, and provides a detailed introduction to the Makaton Vocabulary combining a practical approach with theory and technical information. Signs and symbols from Core Vocabulary Stages 1-4 and Additional are taught during practical sessions.

The lecture sessions cover research into sign use, symbols design themes, the use and purpose of Makaton, and an overview of alternative systems of communication.

**The course costs £125 per person (includes course manual) and runs over two days: Monday 30<sup>th</sup> April and Tuesday 1<sup>st</sup> May at Spring Common Academy, Huntingdon. PE28 1TQ**
