

## Mental Health Issues and Solutions

Tuesday 11 September 2018

2 - 4pm

St Peter's School

St Peter's Road

Huntingdon

Cambs

PE29 7DD

**YMCA has over 30 years' experience of providing mental health services to young people through direct intervention and training.**

This event provides a networking opportunity for delegates to discuss the issues affecting your schools and explore what we can do together to address these issues; we encourage you to come along and have your say.

## Issues and Solutions (Free event)

2 - 4pm

### Learning Outcomes:

- A discussion of the current mental health issues facing schools
- An opportunity for you to discuss provision in your setting and share ideas
- An opportunity to audit the current mental health provision in your setting
- Practical ideas to take back to your school
- A summary of available providers – where can you go for help?
- An outline of the available training available from the YMCA

### How to Book:
